Foreword

THE MODERN HOME, RECREATION, THE COMMUNITY—
THREE OF THE OUTSTANDING INFLUENCES THAT HAVE MOULDED
THE ROUNDED HIGH SCHOOL BOY AND GIRL HAVE FURNISHED THE
THEMES FOR OUR THREE PIRST ISSUES OF THE ACORN.

THE FOURTH INFLUENCE, "OUR SCHOOL," WE PRESENT AS THE THEME OF OUR 1935 ANNUAL.

JEFFERSON HIGH SCHOOL HAS PROBABLY BEEN THE GREATEST INFLUENCE OF ALL IN OUR DEVELOPMENT.

IN ITS PAGES WE HAVE ENDEAVORED TO PICTURE OUR SENIOR CLASS, ITS FACULTY, SOME OF ITS ACTIVITIES, AND SOME OF ITS TASTES AND ASPIRATIONS.

IF IN A SMALL WAY WE HAVE SUCCEEDED, WE WILL BE PLEASED.

DEAR SENIOR, YOU ARE THE CENTER OF TREATMENT! MAY THE 1935 ANNUAL BE TO YOU A RECORD THAT YOU WILL WANT TO CHERISH.

FAITHFULLY,

YOUR EDITOR-IN-CHIEF BILLY HOBACK

TO THE MIMBERS OF THE CLASS OF 1935 OF TEPPERSON HIGH SCHOOL, RUNNING ATROUNTS:

THE DESCRIPTION OF YOUR DIGHT SCHOOL EXPERIENCE. PROMISON ON, YOU WILL BE LARGELY THE DESCRIPTS OF YOUR OWN COURSE IN LIFE. I DO NOT SHARE THE THOUGHT THAT YOUTH TO-DAY IS DISILLUSIONED AND HOPELESS. YOU HAVE AN INVESTMENT TO MAKE IN LIFE AND LIFE AWAITS ALL WHO WILL MAKE THE INVESTMENT WISELY. IT DOES NOT OFFER MUCH TO THE CARPLES OR THE INDIFFERENT, BUT TO THE ONES WHO ARE SINONG AND CONTEXCENDES IT OFFERS MAPPINESS THROUGH LABOR AND LOVE. I SHALL REGLAD TO BE OF HELP TO ANY OF YOU WHO MAY CALL UPON ME

Understanding

To youth, life is a boundless sea,

An ocean of eternity

Lost is the vastness of its shore,

Mute against its mighty roar,

Mere atoms of humanity,

Vet, bursting, nigh, with vanity

We strive to pierce infinity

To comprehend divinity!

And fear because we cannot see.

Because we know not what shall be!

Imprisoned by our finite minds

We chaff and fret in our confines,

We seek to soar, but only fall;

And, helpless, know not whom to call.

In answer to an unmade plea Comes out of dark infinity, I clap of thunder is each word Yet, thunder felt, not thunder heard! "God gives the lily raiment fair, A flow'r is burdened with no care! He marks the fall of every bird, And tells us in His Holy Word To take no thought of a to-morrow, Or any future care or sorrow In answer with such comfort fraught That all our ravings seem as naught The burden of divinity, The pressure of infinity, Have all rolled off into the sea and now, at last, the soul is free

Mr. William W. Hoback, Editor, The Acorn, Jefferson Senior High School, Roanoke, Virginia.

My dear Mr. Hoback:

I take this occasion to extend my official and personal best wishes and greetings to The Acorn, the attractive annual of the Jefferson High School, and to the Senior Class of 1935.

Deeply interested in education in Virginia, I have been gratified at the valuable service rendered in this line by your school.

I wish for the graduates of 1935, the Jefrerson Senior High School and The Acorn continued and prolonged success, and congratulate you on your enterprise.

JEFFERSON SOPHOMORE CLASS

The Jefferson Sophomore Class

The Sophomore Class is one of the largest in the history of the school and its possibilities in leadership and achievement have not been surpassed

The members of this class have entered heartily into the various activities of the school, both literary and athletic, and hav—hown marked ability in scholastic attainment

They have exhibited a spirit of loyalty and cooperation in upholding the high standards of honesty and justice in Student Government

The class was represented on the Prefect Council by Buddy Boone, Frank Pitch, Rosalind Dance, and Edna White

LEE JUNIOR SOPHOMORE CLASS

The Sophomore Class of Lee Junior

The Sophomore C - 3 at Lee Junior has acquired a certain prominence and group consciousness which has not been evidenced in the years; at This is due not only to its unprecedented size which is approximately two-thirds of the whole student body—but to a conspicuous spirit of interest and cooperation on the part of the students themselves

The class was organized in the early fall with the following officers: President, Billy Dickerson; Vice President, Reba Rumbley; Secretary, Eleanor Dull; Treasurer, Thomas C. Smith. In addition to the meetings attendant upon organization, the class met once to hear speakers from Jefferson Semor High School, and on another occome to hear an outside speaker.

Many of the members of this class have been very active in the recent Student Government Organization at Lee Jumor and have demonstrated in many ways that they are worthy of responsibility and capable of leadership. We trust that they shall continue to live up to the standard which they have set for themselves.

Organizations

Jefferson Student Government

In 1928 the faculty and student body of Jefferson High united to organize a Student Govern ment. It consists of a Prefect and a Student Council, giving each student a voice in the government of the school and instilling in him a spirit of honesty and cooperation. In the Prefect Council are vested the losslative, executive, and judicial powers of the organization while the Student Council acts as a —Ivisory body and is a medium between the Prefect Council and the students themselves.

The work of Student Government at Jefferson High School is not limited to fostering a spirit of honesty and promoting better citizenship. Each year the members work upon various projects. The point system was formed to distribute more evenly the various offices of student activities and to prevent any one student from accepting more responsibility than he can perform efficiently The Handbook, published by the Student Council, has helped students to become acquainted with the school and its activities. One of the most important of these projects was the organization of a State Student Government Association. Jack Tice, Jefferson High's able President of Student Covernment, we appointed Governor of Student Covernment in Virginia by the National Student Government Association at their conviction held in Washington during the latter part of June, 1934.

Lee Junior Student Government

During the fall of 1934, the student body of Lee Jumor began to think scriously of organizing a form of student participation in government. With the help of seven faculty advisers a workable plan has been completed. The purpose of the organization in Lee Jumor is to promote the idea of self-government among its members and to create in the student body a deeper sense of responsibility. Every pupil, upon his enrollment in school, becomes a member of the organization. Student Government functions through three divisions: The Prefect Council, The Student Council, and The Student Body. The powers of the Prefect Council are legislative, judicial, and executive. Its members are five Sophomores, four Freshmen, and the president of each class. The Student Council is composed of representatives elected from each roll call and these councilmen act as a medium between the Prefect Council and student body.

The members of both councils tive given generously of their time, and have carnestly and enthusic stically worked to make this organization a success. With the continued cooperation of the teachers, councils and students, we feel that Student Government will continue to be a leading factor in the school life of Lee Junior.

The members of the Prefect Council: President, Pete Strickland; Vice President, Randolph Pillow; Secretary-Treasurer, Jean Board

The members from the Sophomore Class: Billy Dickerson (President of the Class), A. B. Terry, Jean Scott, Judith Hunter, Bunny Pendleton, Jean Board.

.'he members from the Freshman Class: Thomas Old (President of the Classianne Hayward, Jimmy Elliot, Walter Otey, Randolph Pillow.

GIRLS CLUB

The Girls Club

Another year has come and gone and in the Girls Club annals a mark of success has been put down. In work and play each girl has kept in her heart and tried to live up to the creed, "Well to look up and up -to dream undainted dreams aloud, and stumble towards the stars," Thus and the theme of the year, "Developing Personality," have given food for thought during the year

Friendship, and Sweetheart banquets every meeting and every social pathering has served to som the Club in bonds of friendship. The cooperation so necessary in making any undertaking a success was revealed in the teamwork shown between the committee chairmen and their committees.

The Booster Club is an honorary organization for outstanding Junior and Senior girl leaders, who, for their work in school activities are admitted into the club by a five-sixths vote of all members. The membership is limited to twenty and the members must be approved by the faculty committee

The purpose of the club is to back student activities and endeavor to foster school spirit among the students. The club this year sponsored football parades for the games, sold programs, and gave a pep assembly. The club also sold school colors and stickers and attended the basket-ball games. The year is closed with the annual banquet at the Country Club.

The Big Buddy Club is an honorary organition for boy leaders in the Jumor and Semor Classes. Its purposes are to promote school spirit throughout the student body and to enthusiastically support all student activities.

I'ms year the Club was composed of a truly illustrious group of boys. The members, besides having the leadership, scholarship, and popularity—sential for membership, were, for the most part, the most outstanding athletes in school

The Club promoted interest in athletics by sponsoring "pep" assemblies and painting large signs, and was doubtless responsible, in a large measure, for the keen spirit which resulted in the spect—ular football victory over Lynchburg. The year was clim—v d, as usual, by the "J Festival," the most elaborate social event of the school, given in honor of all letter men

Martha Washington Literary Society

The school year 1934-35 proved a most succe-sful year for the Martha Washington Literary Society. The membership was increased to one hundred and fifty-six members

To demonstrate literary merit the students who join must pass oral or written tryouts, judged by three members of the faculty

At the end of the y ir letters are wirded the girls who have twelve points Approximately twenty-fiv girls will recove letters

The society worked in conjunction with the Jeffersonian Literary Society to present two assemblies and to hold semi-annual banquets

In 1934 the literary teams won Class A Championships in debating, spelling and verse. Ilso Class A and State Championship in boys' reading.

In 1935 the literary teams won the State cup in after-dinner speaking and debating at Roanoke College. At Radford we received the piano award and placed in reading

A strong lite : y team is going to represent us at Charlottesville, so at present, we are waiting for more plaques and cups to add to our laurely

The Martha Washington Literary Society is an outs—ding club in Jefferson High School; its members show a fine spirit of friendliness and loyalty to each other and to the school

JEFFERSONIAN LITERARY SORIETY

Jeffersonian Literary Society

The Jeffersonian Literary Society, one of the oldest organizations in High School, is open to every boy who wishes to join

Its main purpose is to teach its members stage presence and a comprehension of all materials which are brought before the Society. Practically every boy who enters this organization feels, as he graduates, that the J. L. S. has contributed something to him that will be beneficial in after life

To date, there are about sixty boys who are in good standing and who attend meetings regularly. These boys are permitted to enter all contests which are held for Roanoke College and Charlottesville

At the contests at Roanoke College this year, our affirmative debating team, composed of Vernon Mounteastle and Betty Cooke, rapidly climinated the other teams to bring home the Debating Cup; while ——Noffsinger, our after-dinner speaking representative, ousted three opponents to clinch the cup for Jefferson, giving the entire day's honors to those representatives of Jefferson High School

Every boy should think that this Society is not only for a chartered few, but for every boy who desires to make the most of his opportunities.

"As the man, so is his speech"

Such training as one receives in the Expression Department is invaluable: The specially gifted students are given the technique and training that will enable them to develop their talents, for their own benefit and for the pleasure afforded others; the average are given exercises and opportunities perhaps a little less formal and public, that will encourage and develop their resourcefulness—qualities of character, so necessary to-day for the success of all phases of human endeavor; the less gifted are given exercises together with reassuring and helpful advice that will reveal to them the possibilities of gaining normal expression. In this department all students are helped to equip themselves for their individual vocations and for efficient citizenship.

The Expression Department has been responsible for many productions this year. Programs have been prepared for banquets, club meetings, and other schools; three Friday afternoon revues have been given; two evenings of one-act plays under the direction of the advanced expression students; and the quite successful presentation of "Little Women." "Growing Pains," a three-act comedy, is in rehearsal; a one-act play is being prepared for Charlottesville; and the senior play —which has not been selected—will complete the year's work of the Expression Department.

One of the most interesting parts of the year's program was the Recreational Tournament between the girls' clubs in Jefferson.

The Physical Education Department, with the help of the Club, sponsored a play day for the High and Junior High Schools in and around Roanoke. The program was divided into two parts. The first part was a recreational period. This offered wholesome social contact and was of recreational value to the girls. The second part was a discussion of the ideals and standards of girls' athletics. The year was ended with an instructive week-end camp.

"Congratulations, Jefferson High, on your football record for the season of 1934. While it was not my good fortune to see you in action I have heard from a number of sources that the team as a whole indicated by its play that it had been and tackling and that this together with a fine team spirit was entirely responsible for your success."

> Yours sincerely H. B Redd Coach, Virginia Polytechnic Institute

LEXINGTON VIRGINIA

I consider it a privilege to be allowed to extend greetings to the Class of 1935 and especially to the athletes and students interested in athletics

While at V. M. I. I have had occasion to see many Jefferson teams in action, and your teams have a well-deserved reputation for hard, clean, sportsmanlike play. I have also coached or come in contact with former Jefferson athletes during their college careers and have always found that they have lived up to the fine traditions of your school school.

I have only to add that both competitors and rooters have learned a lasting lesson when they absorb the principles of sportsmanship and fair play from properly conducted, mentally and physically beneficial sports

JOHNNY SHAFER

No. 74 Left End

John Shafer, one of High School's most or - nding athletes, proved his ability as a real football player this past season. Although Johnny has been on the team two years previous to this he has never made such a splendid record before. He played regular left end very efficiently and, whenever necessary, was shifted to the back field where he played left half back. In the back field position he proved himself to be one of the best kickers and ball carriers on the team, with an average of nearly five yards toting the pigskin oval. Johnny was also a very able pass receiver, and was a main cog in Jefferson's passing attack, which proved to he so successful.

Johnny has brown hair, blue eyes, weighs 164 pounds, and is six feet tall.

CLARENCE "BUD" OAKEY

No. 78 Left Tackle

Possibly no man deserved a football letter any more than Bud Oakey, more familiarly known to the boys as "Radio" or "Loud Speaker."

Bud is eighteen years old, six feet tall, and weighs 185 pounds. This was his third year as a member of the squad, and for two years has been a regular on the team. He participated in all the games of the past season and escaped injury.

Bud declares that he has no hobby, but many of his teammates say "loud and frequent speaking" should be given as his hobby.

This is Oakey's senior year and he plans to graduate in June, 1935. He has paid his last respects on the Jefferson High team, and must say "Adieu."

JOHN D. "NIG" HATCHER
No. 71

Left Guard

Another brilliant football star and letter man is "Nig" Hatcher. He is a senior this year and is eighteen years old, five feet, seven inches tall, and weighs 148 pounds.

John D. was injured early in the season in the John Marshall game. For the next four games he was on crutches caring for a broken leg, but in the remainder of the games he returned to his old form and did splendid work. He has played two years for Jefferson and filled the position of left guard Hatcher and J. Shafer, left end, formed a blocking team which could move the best tackles in the State. John D. was probably the meanest man in the line, and spread terror in opposing backfields.

FRED "RUM-DUM" BURTON

No. 72 Center

Fred Linwood Burton, one of the outstanding members of the team, played center for "dear ole Hi." He, incidentally, is the only member of the team who played in every game without a single substitution.

Fred is eighteen years old, is five feet, ten inches tall, and weighs 163 pounds. Fred was on the squad last year and received a letter; he also received a letter this year.

"Hunk" Hurt commends his line for its wonderful work, and especially Fred for his accurate centering and fine blocking. Although Fred was in no position to make touchdowns he always contributed to them by centering the ball exactly where his teammates expected it.

May his football career always be as successful as it was at "Hi."

Right Tackle

No. 79

Billy Hoback, a senior this year, is one of Jefferson's fightin'est players. He played right tackle. He made first team the first year he was out and has earned two letters in two years. Although the line does not get much newspaper publicity, it plays a vital part in winning games, and such players as Billy help make a successful season, such as Jefferson had this year. Except for a sprained ankle, received in the game with John Marshall, of Richmond, he had no injuries, and was able to play in every game of the season

No mere football hero is Billy, but an excellent student as well, combining brain and brawn. He takes a leading part in many school activities, and is well liked by his teachers and fellow students.

JOHN "IRON MAN" McGINNIS No. 68 Right Guard

John McGinnis, playing right guard on the Jefferson team, has been made captain of the team for next season. This is his second year on the team.

Unfortunately, in the second game of the season, rivaling John Marshall, of Richmond, he broke his nose. He had to wear a mask, and was nicknamed "Iron Mask McGinnis." But this did not stop him. He played hard in every game of the past season. Also, McGinnis acquired the name of "Snozzle."

He is eighteen years old and weighs 153 pounds.

As he was elected unanimously as captain of the team, we are sure that he will be a good one, so we say, "Good luck to you and your team next year on the gridiron, Captain 'Snozzle' McGinnis."

CONNIE "LITTLE HERBIE" AKERS

No. 82 Right End

Connie Akers, well-known Magician end, was born in this city July 11, 1915. He has been on the squad for four years and has had the privilege of being in every game for the past two years, winning a letter each year. Connie was one of Coach Hurt's most valuable linemen, proving more than one time that he was a player worthy of praise. Through his excellent ability in receiving passes he earned the tinction of being the best pass receiver on the team.

Connie is very modest about his glories and prefers to be talked about, rather than to! He has brown hair and blue eyes, and weighs 150 pounds.

Jefferson will miss you next year, Connie.

FRED "BLONDIE" ELLIOTT

No. 76 End

Fred Elliott, one of the main factors in this year's football team, held down the right end. At this position Fred showed amazing intelligence in diagnosing the opponent's plays, as well as figuring in more than one touchdown play himself.

Going out for football while at Lee Junior, Fred has been on the squad three years, as well as being on the Lee Junior and Jesserson basket ball teams.

In spite of the fact that he weighs only 150 pounds and is only five feet nine inches tall, Fred played regular at his position this year and gained a permanent berth on the team. By clinching the Lynchburg game with a touchdown run, Fred gained for himself a position among the heroes of Jefferson High School.

PAUL "FOOTS" RICE

No. 70 Right Half Back

Probably the most outstanding and consistent man in the backfield was Paul Rice, 155-pound right half back. This was his third and last year as a member of the squad, but his first year as a member of the first string. He was the heaviest man in the first string backfield.

Ilis ability at throwing passes, and consistency at place-kicking was directly responsible for victory in more than one hard-fought game. In two games his points after touchdowns brought victory. Against Salem he threw the lateral pass which won the game, and his long pass in the Blueheld game was directly responsible for the only and winning Jefferson touchdown. He possesses the enviable record of ten conversions for points after touchdowns out of thirteen attempts.

JACK "JAKE" TICE

No. 64 Quarter Back

Jack Tice, this year's captain and quarter back, was one of the main reasons for Jefferson High's successful

n. Injured most of the season with a dislocated shoulder, Jack returned in the Lynchburg game and so revived the team with his spirit that they played an inspired game and emerged with an 8-0 victory.

Handscapped as he was, "Jake" watched his team plow through a difficult schedule, and when he did get back into play he was the chief sparkplug of the Jefferson machine in their struggles with teams of superior weight and experience

Weighing only 154 pounds, and being only 5 feet, 8 inches tall, Tice has been a regular for the past two years. He will leave behind him, at Jefferson, a record of a great quarter back

ATHLETIC SPECIAL

JAMES "JIMMY" ROBERTSON No. 62 Full Back

Perhaps no person in Jesserson Hi better deserves their football letter than 19-year-old Jimmy Robertson, the "mercury-heeled" half back. Jimmy was on the football squad for two consecutive years, and both seasons he earned his letter.

Des te his ability as a football player, Jimmy's first and favorite sport is track. After attending the Pennsylvania Relays in 1932 as a member of the team, he has set his heart to be a track man. Last year he averaged fifteen points in each of Jefferson's track meets.

Jimmy attributes his success in both football and track to his strict observance of training rules. He plans to enter the University of Richmond next year and study to be a physical training director.

WALTER "BUDDY" SMITH

No. 67 Left Half Back

Walter "Buddy" Smith, better known as Bud, was born May 10, 1916, making him nineteen years old. He is 5 feet, 7 inches tall and weighs 130 pounds. He has the distinction of being the lightest man on the squad. This year was his third year out, and he played full back most of the time.

Buddy is one of the most dependable members of the team, having played in every game this year, and he never was injured. He is best known for his ability in passing and signal calling.

Bud's athletic talents do not stop at football; he has been a member of the basket ball team for the past three years.

Buddy will be an asset to any college he may attend.

THE SEASON

Jefferson's "Fightin' Magicians" experienced a most successful season in football this year. Having, perhaps, the lightest team in the State, they consistently outplayed heavier opponents, winning six out of eight battles on the gridiron. Combining speed and intelligence with expert coaching, they romped through their eight scheduled games under the able generalship of Captain Jack Tice, with flying colors

The Magicians opened their season with Radford, on September 22d, entertaining that eleven at Vinton. The Magician team smothered the heavy Radford team to the score of 41-0. Coach Hurt used practically all of his reserves, who still plowed through the opponents. Tice, Rice, Robertson, and Smith contributed the points of the

Magician victory.

The following Saturday, September 29th, the Magicians upset the dope-bucket by defeating the highly-rated and heavy team of John Marshall, of Richmond, at Maher Field. Hampered by injuries to three players—Captain Tice, Linemen Hatcher and Hoback—in the early part of the game, nevertheless, the "Fightin" Magicians"gained a one-point margin through Paul Rice's place kicking and held it, after they had scored on a pass from Tice to Rice and a long run by Robertson. The Justices, of Richmond, lost the Magicians' first Class "A" tilt 14-13

Jefferson's Class "A" tilt, on October 6th, with Danville High was can-

celed because of heavy rain.

The Magicians met their ancient rivals from Salem High on the next Saturday, October 13th, at Maher Field. The game is always a clash between the deadliest of rivals. Both student bodies turned out in an array of color amassing a crowd of about 2,500 people. The Magician team continually outplayed the invaders. The Jefferson line was at its best, stopping all Wolverine threats of scoring. The

Magicians scored but once in the game on a very tricky play. Rice, taking the ball from Smith, flipped a lateral to the fleet Jimmy Robertson, who galloped across the goal line standing up. Rice kicked a perfect place kick, making the score 7-0. The Magicians thus won their second Class "A" tilt.

Saturday, October 20th, "Fightin' Magicians" met the Terriers, of Vinton, in an exciting game. The Roanoke boys literally ran away with the Terriers, trouncing them to the tune of 27–0. In the opening period Smith carried the ball off tackle to make the first touchdown of the game. Rice place kicked for the point. The Magicians scored again on a pass from Rice to Akers in the third period, with Rice making the placement. New players sent in by Coach Hurt again scored on a pass. Jimmy Robertson ended the scoring with a sprint of 37 yards for a touchdown.

The next Saturday, October 27th, the Magicians went out of the State to defeat the smooth-running Bluefield team. Lacking Captain Tice's quarter-

one-point margin over the West Virginians and held it. Rice passed to Akers for the touchdown and made a recet place kick for the extra point.

Magicians, the teams being almost

evenly matched, but the Magicians emerged with a 7-6 victory.

November 3d marks the highlight of the Jefferson 1934 football season. It was on this date that the magicians defeated their bitterest rivals of Glass High, of Lynchburg, on Maher Field before a crowd of 5,000. More spirit was shown by the students in this one game than all the rest. Pep assemblies, parades and a bonfire were but a part of the exhibition of the students' enthusiasin. The Glass High team was rated to give the Magicians a terrific defeat. This was the championship game of the Western District. Captain

Tice returned to the Roanoke High line-up and aided the "Fightin' Magicians" in obtaining their 8 to 0 defeat over the Hill Toppers. The "little" Magicians' line battled the heavy Glass High line to a standstill, every man playing an excellent game. The Magicians' first score came in the second quarter when Tice tackled a Glass Hi back in the end zone, gaining a safety. The game proved a see-saw affair after that with both teams playing close football. In the last few minutes, Elliott intercepted a pass and made a beautiful touchdown sprint to clinch the Magician victory 8–0. This was the third Class "A" tilt Jefferson won, putting them in the run for the State Championship.

The Magicians were due for a defeat next Saturday, November 10th, in a game with Portsmouth High on Maher Field, This was the State Championship tilt. The Magicians went down fighting gamely against terrific odds. They were forced to play at 12:30 in the afternoon, in a drizzling rain on a muddy field, against a team that outweighed them by a great margin. The Presidents scored three times on the Magicians, and left the field with a 19.0 victory. This loss put Jefferson out of the race for the cham-

pionship. The next Saturday the Magicians met Maury High, of Norfolk, in their last game, in Norfolk. The Magicians were again defeated by a narrow margin of 13-7 by a team that defeated the powerful Portsmouth team in a future game. The light Jefferson team battled the heavy Commodores to a close score, but were unable to stop their powerful drives. They scored once when Tice pulled a clever reverse. Rice

The 1934 Jefferson High School football team proved to be an example of perfect team work. It was made up of a splendid group of boys, known over the State for their clean playing on the gridiron. They seldom were penalized for over twenty yards in one game and hardly ever for a personal foul to another player. The line, made up of fast-charging, clever players, out-

kicked the extra point.

played heavier lines with surprising Akers, Shafer and Elhott; powerful tackles in Hoback, Oakey and Kiser; fast, tricky guards in Hatcher and McGinnis, and a perfect center in Burton. A splendid set of backs composed the backfield, led by Captain Tice at quarter back, Rice and Smith at halves, and Robertson and Fitzgerald at full back. These boys showed their capable ability of offensive and defensive football

Aithough the Jefferson 1934 football season was not adorned with a state championship, nevertheless, it was the most successful that the high school has experienced in many years.

MAGICIANS RETAIN STATE CAGE TITLE, 28-24

RICE LEADS QUINTET TO SPECTACULAR WIN **OVER JOHN MARSHALL**

CAPTAIN TURNS IN 17 OF POINTS

Richmonders Go Scoreless in Late Minutes as Jeffs Tuck Game Away

TILT CLOSE ALL ALONG

Gymnasium Resounds to Cheers of Hundreds as Lead Changes Many Times

A stout-hearted band of Magicians last night reached to the bottom of its bag of tricks and pulled out four points in the last three minutes of play that provided a 28-24 victory over John Marshall High, of Richmond, and returned the state class A basket ball championship for Roanoke for the second straight year.

With the count deadlorked at 24 points, three minutes to go and a howling crowd of 1,000, suddenly silent, nervy Sam Kaplan, Jefferson high forward, stepped up to the foul line to sink a free throw that broke the tie and sent the Magicians into the final and deciding lead.

Victory Clinched

Another free throw by C tain Paul Rice and a climaxing held goal on a short, erisp toss by Fred Elliott clinched the ampionship of Ole Virginny,

marking the fourth time in nine years that Jefferson high cagers have brought home to Coach A. D. "Hunk" Hurt the championship play to be seen favor

Less than four minutes before the final whistle, however, there was many a Jeffersonbred heart that skipped a beat and many a foot that tapped the floor nervously as the Justices took time out with a 24-22 lead and the confident mien of champions-to-be,

But just as the Magicians have been doing all season, they found again that they could depend on their captain. Rice, already with 14 points to his credit, scored in one of the most spectacular exhibitions of

tied the score immediately after. the time out on a follow up toss after Kaplan had missed a free throw. A moment later Rice runmed the hoop on a long arched heave from undcourt but the ball refused to go down.

It was at this point that Kaplan fouled by Rudy Boschen, John Marshall guard, redeemed the free throw he had missed a moment before and gave the Magicians their 25th point of the night, and the point which turned the tide conclusively in Jefferson's

son in front, 25-24, it appeared for a moment as if the Magicians might be headed for another of their traditional one point championship vic-tories, but Rice and Elliott took no chances and ad led the other three points before the timekeeper called a final half to a game that had aroused the packed house to a fever pitch and that at times seemed to be ready to take off the roof with

The Magicians last year defeated Newport News on the latter's court, 23 to 22, for laurel wrenths of champions, on a high school floor in years, After this score with Jeffer- the state cage championship.

THE BASKET BALL SEASON

This year we had, perhaps, one of the best basket ball seasons in the history of Jefferson Senior High School. From the very beginning until the whistle blew closing the last game, the team played not as a group of five separate members but as a single unit. Each man cooperated with his fellow sportsmen. As it was last year, so it is this year—the team "clicked."

The school spirit in the games this year was very good and is to be commended. A large number of season tickets were sold and the games were well attended.

The championship game with John Marshail, which was played on March 6th, was the best and perhaps the most exciting game of the season. It was exceedingly close with both teams running neck and neck. At first John Marshall took a several-point lead. After several goals Jefferson railied and tied them. At the end of the first half the score was fifteen to fifteen. At the end of the third quarter it was twenty-one to twenty-one and about five minutes before the game ended, John Marshall led by three points. By this time the crowd was going mad with excitement; the yelling and cheering were terrific. Then Jefferson made several quick, flashing plays which placed us in the lead with a score of twenty-eight to twenty-four andthe game ended.

Then the crowd rushed on the floor and within a minute the team was

swallowed up. Several boys lifted Captain Paul Rice upon their shoulders and carried him out amidst yells of cheering and applauding

With this game the team brought home for the second consecutive year the state championship title for our dear old Aima Mater, Jefferson High School.

Jefferson won fifteen games and lost eight. The games, with results, are as follows:

THE TENNIS TEAM

The 1935 Jefferson High Tennis Team composed of, McGinnis, Coleman, Rice, Highfill, Leech, and Gibson, have experienced a very successful season

The doubles composed of Coleman and Rice, Highfill and McGinnis, and Leech and Gibson, have consistently defeated opponents

The Magician Team crushed the Danville High Team 6 to 3, in a match held in Danville, April 26th. The following Saturday, May 4th, they defeated their ancient Glass High rivals in Lynchburg 9 to 0

The scheduled matches ended with the Glass High clash with the exception

of the State matches held in Charlottesville, May 11th.

In this meet Paul Rice and Winston Coleman swept through the strong opposition of Charlottesville, Maury, and Danville to take the Class A Doubles Crown, Charlottesville was defeated 6-1, 6-0; while, the Maury team was downed with a 6 0, 6-2 score. Danville lost to the Magicians 6-3, 6-4. Suffolk High was defeated 6-2, 6-3 for the state crown.

This meet ended the 1935 Tennis schedule which was climaxed with the State Championship Much praise goes to these boys that brought home such an honor for Jefferson High. Surely, the 1935 Tennis Season was more than a success.

THE TRAK TEAM

THE TRACK SEASON

Jefferson's Flying Magicians experienced a very successful season under the generalship of Captain "Jimmy" Robertson The Magicians took three out of five meets easily and were defeated by the strong Washington and Lee Freshmen and Lynchburg High School

The 1935 Magician track season opened March 6th with the Virginia Military Institute Freshmen in Lexington. Due to rain, all events were somewhat poor as to time and distance Jefferson's Flying Magicians emerged from the encounter with a 64 to 53 victory over the "Little Keydets."

The following Saturday, April 13th, the Magicians met the husky Clifton Forge Team in Salem. The meet was a complete victory for Jefferson. The Flying Magicians turned in a net score of 80 points to the visitors' 28 Nearly all events were won easily by Jefferson men

Monday, April 22d, the team met the strong Washington and Lee Freshmen in Lexington. The "Little General's" team scored a slow victory over the Flying Magicians. The Magicians put up a game fight, but were unable to cope with the Washington and Lee stars. The "Little Generals" took the meet with a 75 to 42 victory.

The Flying Magicians met George Washington High, of Danville, the following Saturday, April 27th, in Salem. This proved to be an easy victory for Jefferson. The visitors were completely outclassed in practically all events. The Magicians carried off the honors of the day with a 93 to 24 victory.

On April 4th, the Magicians journeyed to Lynchburg to meet their ancient rivals of Glass High. In a thrilling meet, the Flying Magicians were outclassed by the fleet and powerful Hill Toppers to the tune of 38 to 79

This meet closed the scheduled track meets with the exception of the State meet in Charlottesville, May 11th. In the State meet the Flying Magicians took 7½ points to take sixth place in the meet. Woodson, Akers, and Neel were the contributors of these points.

The 1935 track team was indeed a successful one. The members of its team deserve a great amount of praise for their efforts toward its success the past season.

THE GOLF TEAM

The 1935 Jefferson High School Golf Team was composed of a group of excellent golfers. Melvin Humphreys, Ralph Mills, Wade Pollard, Cletus Brown, Harry Farms, and Wesley Bowers made up the team. The head-quarters of the team is the Blue Hills Golf Course.

The team was late in the season getting started. On May 11th, the Magician golfers met the Wolverine team of Salem High and were defeated by that outfit. The team has a pending meet with Richmond High and are planning to enter the State Golf Tournament, Saturday, May 25th, at Blue Hills Golf Course

The Magician golfers have won the tournament three years in a row and it is expected that this year's team will make a creditable showing against the strong Norfolk, Richmond, and Salem High teams they will meet in the tourney.

W. CARLTON PARKER, Proprietor

Once more we have had the privilege of being the Photographer of one of the most outstanding books in Virginia.

The photographs in this book were made by our highly trained staff whose specialty is School and College Photography.

The uniform and clear cut reproductions represented in this ACORN prove what an important factor photography is in building a successful annual.

You, too, can have the same type of photography in your annual by getting in touch with us. Our representatives will be glad to go over details with you.

There is no obligation or expense for this service.

Acorn Staff, Felicitations!

Following the splendid precedent established by the Acorn Staff of 1934, in winning two First Prizes for School Publications, I feel sure you will devote your talents and energies to still further accomplishments and attainments, and I shall continue my watchful interest, lending the facilities of our Organization in helpful coöperation.
